Amit Chalam is a Risk Consulting Partner in KPMG's Financial Services practice, and specializes in the insurance industry. He has spent close to 20 years in Toronto, New York and India performing a combination of operational process and controls advisory services, internal audits and financial statement audits. He has worked with a wide variety of insurance companies including general insurers, life insurers, mortgage insurers and reinsurers.

Amit is a member of the board of directors of the Canadian Insurance Accountants Association, and is also a director at CANES Community Care, which is a not-for-profit organization based in Toronto.
